I understand they have money to make and get in jus as big as hurry to get where they go in jus like everyone else but there is a lot of land that around the truck stop that can be used to provide an alternate exit that can rout them to the feder Rd so there not trying to cross 6 lanes of traffic

Lisa Bland	Orange, TX	2015-03-13	I am signing because this major intersection is a horrible traffic problem. I have been through that intersection after 7 accidents. I travel that road and intersection twice a week and 18 wheelers are forced to pull out "when they can", which doesn't mean it's always a safe exit. They need an exit other than Highway 62, or a light that provides them a safe exit and stops traffic from both directions. Right now, it is a "free for all" and very dangerous for them, commuters, school buses, and exiting interstate traffic. Please help make this section of our Texas roadway a safe place to travel.

This is another senseless death because they will not wait for cars to pass. They need their own way out of that pilot. There needs to be an officer there to pull them over when they pull out of there when they cut off another vehicle.

Andrea Bercume	Cosby, TN	2015-03-13	I lives in Texas right down the road from 62 and also worked on 62. Many near misses and hard hits from car vs car and car vs 18,wheelers. I say the truck entrance to McDonalds be stretced to flying J for a back entrance for all trucks. Best of luck. I hope to see some changes.
Jillian Gibson	Carlsbad, NM	2015-03-13	I'm singing this because anything to make road ways safer and help 18 wheelers share the road is a great idea. It's awful that people have to lose their loved ones for something like this to be done.
Shannon Borel	Orange, TX	2015-03-13	I Travel Hwy 62 during the work week and have experienced first hand 18 Wheelers pulling out in front of me and you have to slam on your brakes to prevent being hit. Sometimes it seems that they don't even look to see if there is oncoming traffic before they pull out and something needs to be done about it. It Needs to Stop!!!!
kelley lilley	Kirbyville, TX	2015-03-13	Been driving through there since I was a teenager and the trucks are terrible about pulling out in front of people.

Tresha Strother	Orange, TX	2015-03-13	So many people travel through that area headed to and from work everyday and the Trucking industry has populated tremendously that it is causing congestion and dangerous situations. We all have to get somewhere and so do the 18 Wheelers .Something needs to be done for the safety of everyone and so no one else loses their life on something that could of been fixed.

Nikki Verdine	starks, LA	2015-03-13	There has been too many accents there. The 18 wheeler take over the road ever time they pull out.

Tanya Nuss	Bridge City, TX	2015-03-13	I have had to travel many times in front of the truck stops within miles from my home. A countless number of times big rigs pull out in front of oncoming traffic without any regard to people with the right away. There needs to be a alternative route for the 18 wheelers for everyone's safety. Countless lives have been lost when it could have simply been prevented with a alternative route other than them having to pull out on to a busy highway!

Brian Sattler	Beaumont, TX	2015-03-13	I frequently drive through this area and have often had to brake heavily when trucks have pulled out in front of me. Sarah butler	Orange, TX	2015-03-13	On several occasions semi trucks have pulled out in front of me to where I had to come to a complete stop to avoid hitting them. It's a major hazard, to say the least, on a highway with speed limits as high as they are there.

Erica Arnold	Bridge City, TX	2015-03-13	I use the 62 exit on my commute every single day and I can not begin to tell you how many times I've had to slam on my breaks, swerve or tense up watching someone else possibly get hit. This is an awful area for 18 wheelers pulling out!

amber grutsch	Bridge City, TX	2015-03-13	I drive down 62 a lot and know the dangers of the trucks and riggers. They pull right out in front of anyone and don't care, they cut you off, and as long as they're making their time, no one else matters. They aren't all like that, but I've almost wrecked because of that multiple times.
misty orta	Port Arthur, TX	2015-03-13	That is a scary area! If you aren't paying attention it can be really bad. The 18 wheelers think they can get to the other side quick like a small car. There needs to be a red light around there. Really would be safe for everyone.

Chris Deranger	Westlake, LA	2015-03-13	I've had to travel that route quite a few times myself. Some of those trucks pull out regardless of oncoming traffic. An entrance/exit along the I-10 feeder road would most definitely be a better option.

LeAnn Holloway	Orange, TX	2015-03-13	I lived within 1 mile of this area my entire live and have had near misses many times with 18 wheelers pulling out across hwy 62 north to head back to I10. I am able to say it is always their fault because I am aware of this extreme danger. Trucks continue to pull out in front of vehicles. I now have a child and it is scary to be in the situation with her in the vehicle if this were to happen or her to lose a mother or father over a potential change that can prevent further loss of life!

A trucker pulling out on me or stopping quickly in the middle of the road to turn into Pilot without a blinker on. It's been pure luck I could stop in time on several different occasions, and I am a very cautious driver. Something needs done. They need a back entrance and exit from iH10.

Cheryl Neel	Groves, TX	2015-03-13	That is a very dangerous area and smaller vehicles need to be seen. Ever since the first truck stop was put in it has been dangerous. The big rig drivers either don't see the smaller cars and trucks or don't care and just pull out in front of us ALL the time. So many people have been injured or killed here and it's got to stop. TXDOT, HOW MANY MORE LIVES HAVE TO BE LOST BEFORE YOU DO SOMETHING TO FIX THIS?!

Rae Gay	Groves, TX	2015-03-13	I believe that putting up a red light right there would be best honestly. My husband drives a truck also and there isn't a way to have a back exit I don't think since this exact truck stop is about half a mile away from the feeder road. What happened is a complete tragedy and I'll continue to pay for her family and friends! Hopefully something can be put in place here to prevent this from happening again!
Jodi Purgahn	Orange, TX	2015-03-13	These trucks need to be aware of the danger they put people in cars at risk. They do not look and cause wrecks all the time on 62.

Jaime Nelson	Orange, TX	2015-03-14	I live in this area and I agree that a stop light is absolutely necessary. On top of the trucks having no regard, it's scary just trying to pull out of there sometimes.

Joey Richard Sr.	Prairieville, LA	2015-03-14	I believe an exit behind the truck stop to feeder would be a better solution to trucks pulling out onto hwy 62 ..or at bare minimum a stop light..I have almost been in accident at 62 and truck stop a d have witnessed many others almost in accidents there

Kadence Ross	Orange, TX	2015-03-14	I PERSONALLY HAVE HAD THE 18 WHEELERS PULL OUT IN FRONT OF ME.. SEVERAL TIMES. THEY PUT YOU IN A POSITION THAT YOU MUST SUDDENLY STOP OR YOU WILL UNDOUBTEDLY CRASH INTO THEM. WHILE SITTING AT SONIC NOT LONG AGO, WE WITNESSED ONE PULL OUT ON TO HWY 62 CAUSING TWO VEHICLES IN ONCOMING LANES TO SLAM ON BRAKES. SCREECHING BRAKES ONE GOT STOPPED AND THE OTHER VERY NEARLY DID NOT! TERRIFYING!! AND SENSELESS. THERE DEFINITELY NEEDS TO BE ANOTHER ROUTE IN/OUT FOR THE BIG RIGS. PERHAPS OUT FROM BEHIND PILOT

toni Harrison	Lumberton, TX	2015-03-15	to many wrecks and fatalities in this area something needs to be done before another family loses a loved one.
Kim feidler	Orange, TX	2015-03-15	every day I pass infront of piolet gas station. I have seen 18wheelers pull out in front of me or the car infront of me ,where we had to slam on our breaks so many times. I have seen cars try to jump out infront of 18 wheelers because they were too impatient to wait. When I taught my daughter to drive a car I warned her about this area. I told her over and over again that she is never to trust this area. That it does not matter if you are in the right of way because you will be dead. Cars and 18 wheelers act too crazy here. They are both trying to beat the other one out on to the road where our loved ones are driving responsible.
Alicia adams	Vidor, TX	2015-03-15	this is a very dangerous place and I agree there needs to be a separate exit
Melanie Welch	Orange, TX	2015-03-15	18 wheelers pull out in front of traffic all the time at this location!
Crystal Hutchinson	Vidor, TX	2015-03-15	I'm over that way a lot and sick of having to hit my breaks cause truck drivers don't want to pay attention. If I was to ever hit one and it hurt me or my kids wow... yes they need a red light that I believe that would clam a lot of it down
Karina Torres	Port Arthur, TX	2015-03-15	To provide a safe exit for 18 wheelers and prevent any more accidents from happening!!
Dylan Howard	Orange, TX	2015-03-15	I'm signing because i feel it would be safer. Seeing so many wrecks though there is horrible and for someone to lose their life over something so ignorant is sad. Im not putting blame on anything because its not always the 18 wheeler. It would just be safer for them to have a seperate exit.
gary tripp	Orange, TX	2015-03-15	i have had 18 wheeler pull out from truckstop right in front of me they think they are bigger so we will stop but some people cant react that fast
Bernadine Leblanc	Abbeville, LA	2015-03-15	This problem caused an accident of a family member.
Keely Walker	orange tx, TX	2015-03-15	I've grown up in this area. These trucks pull out in front of you BC theyknow if we don't stop we die and they're gonna be OK. This is not right! People travel this road daily. The men going to work, then the mothers trying to get kids to the elementary. Do something!!!
Sheila Atkinson	Port Neches, TX	2015-03-15	I don't want someone I love, be it friends or family, hurt or gone because off this. When it could be fixed
Cyndi Khoury	Orange, TX	2015-03-15	I'm very sorry a precious life was lost due to this extremely dangerous situation. It should be addressed immediately to prevent more victims from the same tragedy. Pilot's truck stop exit location is hard for a standard size vehicle to cross three lanes of traffic towards the interstate, much less a 18 wheeler. I'm sure this is very frustrating to the truck drivers also....but it is deadly to the average driver in a standard size vehicle.
crystal carnley	Newton, TX	2015-03-15	So many times at the truck stop with Wendy's in it I have almost been hit or had to slam on the brake because they pulled out. I have a 7 year old and 8 year old that I drive through their all the time and is scary
Dona Vetter	Beaumont, TX	2015-03-15	It is a situation that needs to be addressed!
Donna Sullivan	Orange, TX	2015-03-16	I don't want anyone else to lose their life in front of that truck stop!!!!
Carlos Briseno	Buna, TX	2015-03-16	Carlos Briseno
delaine sweat	Groves, TX	2015-03-16	Much needed cause
Rachel Britnell	Orange, TX	2015-03-16	My husband and I drive this route on 62 daily to and from work. I have seen countless 18 wheelers pull out in front of people with little time to stop before something tragic like this could happen. How many more will it take before something is done?

kami bazar	Saint Amant, LA	2015-03-17	Ive almost hit an 18 wheeler several times and so has ppl i know
Julie Holmes	Orange, TX	2015-03-17	I have had these trucks just pull out in front of myself not to mention the work flow through this area is speeding so fast that you just about always have to chance getting hit pulling out of any of the businesses in this area because traffic does not slow down like they should!!!
Cindy Hathaway	Vidor, TX	2015-03-17	It's imperative this alternate access/right of way be installed for the truck stop. This is a known danger that has been ignored for TOO long! Please sign this petition, don't let April's death be in vain, she was a beautiful girl who was loved dearly by her family and friends. Show your support!!
Viola Goats	Vidor, TX	2015-03-17	The accidents have to stop. Another innocent life has died because of it. There should be a back entrance all the way to the feeder road, Just like McDonald's and the other businesses on that road have. That would be a very good solution so traffic does not have to cross over such a busy road. Its dangerous for all. I am keeping April and all her family in my thoughts and my prayers. RIP April.
Darrell Durio	Orange, TX	2015-03-17	I've nearly been hit twice at the Williams Truck Stop and once at the Flying J
